## 2020 Holiday Ordering Guide

**Norman Brothers is happy to continue our annual Holiday Meal tradition for the 2020 Holiday Season! This year, there are a few changes, so please read the following tips and updates to ensure a smooth ordering and pickup process!**

### Order Early

Quantities are limited, so please be sure to place your orders early! We will have some limited supplies due to current conditions, and while we will do our best to meet all requests, some things will be beyond our control.

### Cutoff Date

The last day to place your order will be the Friday before Thanksgiving, 11/20. Again, some supplies will be limited, so even though we will be taking orders, we cannot guarantee that an item will not have sold out.

### How Much to Order

We usually recommend 1lb of turkey or ham per person for your Thanksgiving meal. You may want to increase that amount if you are planning on having leftovers! Please call the store for any guidance and recommendations on how much food to order.

## Desserts

Pies are not available for preordering, but you can pick up a pie anytime between Monday and Wednesday and keep refrigerated. We will do our best to have plenty of pies available during the week!

## Pick Up

Norman Brothers is closed on Thanksgiving Day, so all orders must be picked up on **Wednesday, 11/25, no earlier than 9AM and no later than 5PM.**

We will have staff on our front porch, monitoring store capacity and social distancing. We ask that you please be patient with our staff and with each other.

**NOTE:** Please remember all food will be picked up cold. We will provide heating instructions along with your order, and those same instructions are posted on our website throughout the holiday season.

Norman Brothers is committed to continuing to provide you all with fresh, delicious meals this holiday season! Please call the store if you have any questions. 305-274-9363
